

# NOT ALL HEROES WEAR CAPES

T.E.A.M. DAD offers the support needed for dads and father figures to become the role models children need in their lives.

Children with active fathers are...

More likely to earn better grades in school

More likely to go to college

Less likely to have a teenage birth

Less likely to use drugs

Less likely to spend time in jail

Less likely to be depressed

### When dad is engaged, Mom...

- Receives help with parenting and discipline.
- Improves her communication skills.
- Benefits from a more active role model for her children.
